**Subject:** Sample to Enviroblend  
**Attachments:** [Nonresponsive based on revised scope]vcf; EnviroBlend Remedial Treatability Study Form 2019 (April 2020).doc

All,  
See the attached form to send with the representative sample(s) to Premier Magnesia so they can come up with a recipe.

A 1 gallon zip lock bag will be enough quantity for them to do their testing. The sample ship to address is on the form.

Please send me copies of the COC with our Sample ID.

They are doing this on the house.  
Any questions please let me know.  
Thanks

No job is so important and no service so urgent, that we cannot take time to perform our work safely.
